PLEASE NOTE....

Club sponsors are expected to complete the registration for their club, turn it in to the administration, and be familiar with Prince William County Regulation 646-2 regarding club policies.

Remember, siblings of club members must either be a member of a club the same day/time, or have alternate plans for before/after school. **Siblings will not be allowed to "just wait..."**

All clubs meet for one hour after school unless specified by the club sponsor. Parents and club sponsors will adhere to the club times. In the event of three late pick-ups from clubs, a student's club privileges will be terminated. Students also need to be signed out from the club to ensure their safety.

Thank you to all of the parents and teachers who give their time and efforts to make each club a success. Please take advantage of all of the wonderful opportunities that Pennington clubs have to offer!
